Announcements:

Several months ago, The Board decided to start a new book discussion series come fall. So, the last Sunday in September was dedicated to introducing the new book, Metaphysics of Buckminster Fuller. Phillip Pierson, who created the book, using many of Bucky's quotes, calls himself its commentator rather than author. Rev. Pierson is a retired Unity minister who, during his long career, was known for infusing his sermons/ Sunday lessons with the latest scientific findings. Buckminster Fuller, whom Pierson interviewed for the weekly television show that he and his wife produced for many years - *The Best Is Yet to Be* - has long been revered by Pierson as a spiritual as well as scientific genius.

In order for you to best participate, though not essential, but surely desirable, we recommend that you read along with us. Books are available for purchase at our Sunday morning services (\$11). We also have a few loaners, which can be used to follow along during discussion. Unity of Inner Peace has also donated a copy to Peter White Public Library. We hope you will join us in this truly mind expanding discussion. All questions and comments will be welcomed.

Prayer Support:

We thank you for the continuing prayers affirming the health and well-being of our Unity of Inner Peace member, Carol Birnbaum. We would also like to happily report that Bob Lamb has made significant progress in recovery from his recent back injury.
