

UNITY OF INNER PEACE NEWSLETTER FOR NOVEMBER, 2015

SUNDAY SCHEDULE:

Nov. 1

Bill Waters, speaker. "I'm spiritual but not religious!"

It's become a cliché! Certainly it's a comfortable fallback position for those looking to justify to others - and maybe more importantly to themselves! - their continued need to find accord with the unknown, the inexplicable and acceptable mysticism in an increasingly secular environment. And importantly, the value that environment places on rational thought/behavior. It's been observed that some in the Unity community, perhaps most are among those who generally refer to themselves as Spiritual rather than Religious. What then does, "I'm spiritual," mean? What does, "I'm not religious," mean? What is the relationship, if any, of one with the other? And why does it seem necessary to make a clear distinction? These and other questions and observations are worth pondering. Bill Waters will lead us in this effort. Please come and participate in this presentation.

Nov. 8

Brandon Young, speaker. "Meditation, the Key to Happiness."

There will be a special container for this purpose on the table where we have the service sign up sheet and *Daily Words*.

BIRTHDAYS: We celebrate the lives of both of these special people, and are grateful for their presence among us. We also toast those we may have inadvertently missed!
