

# UNITY OF INNER PEACE NEWSLETTER FOR SEPTEMBER, 2019

---

Dear Unity Friends,

"\_\_\_\_ no human person is here on earth accidentally or neutrally. Each person is a living world of longing. You are here because you long to be here. A person is an incarnation of longing. Behind your image, role, personality, and deeper than your thoughts, there is a pulse of desire that sustains you in the world. All your thoughts, feelings and actions arise from a secret source within you which desires life....."

These are the words of John O'Donohue, just one of the many authors we have enjoyed over the years. It is thoughts like this that keep me coming back to Unity. How about you?

Judy
