

# UNITY OF INNER PEACE NEWSLETTER FOR DECEMBER, 2019

---

Dear Unity Friends,

In a recent newsletter, I shared with you The Grace Prayer, of which I had become aware a number of years ago. Several of you had a strong inner response to this prayer. In more recent times I have become aware of another prayer, an invocation really, one that was created by Unity founder, Charles Fillmore. Having committed it to memory, I now find myself affirming it in times of stress, or, using it as an uplifting reminder of the "moreness" of life. Perhaps it will also speak to you.

*INVOCATION by Charles Fillmore*

*I am now in the presence of Pure Being, and immersed in the Holy Spirit of life, love, and wisdom.*

*I acknowledge Thy Presence and Power, O Blessed Spirit.*

*In Thy divine wisdom, now erase my mortal limitations, and from Thy pure substance of love bring into manifestation my world, according to Thy perfect law.*

Do join us on Sunday mornings as we get to talk about things like this, things which nourish our souls.

Lovingly,

Judy

## ANNOUNCEMENTS:

I don't know how many of you are familiar with or remember *Wee Wisdom*, Unity's magazine for children published from 1893-1991. It served a great purpose while it existed, feeding children's spiritual development through stories, games, letters, etc. In this age where children are bombarded with adult issues and endless outside stimulation in general, apparently this old fashioned magazine "might have seemed downright quaint," and thus no longer up with the times when publication stopped in 1991.

On a personal note, I'd like to share that my maternal grandmother apparently became aware of Unity teachings and believed them. As a result she subscribed to *Wee Wisdom* for my brother and me. Honestly, I don't remember the magazine or what was in it, only the excitement of getting something in the mail every month. However, many, many years later when I was introduced to Unity, it felt so natural, so right. Could this be an example of the unconscious influence of *Wee Wisdom*?

I bring this all up to inform you that just recently Unity has created a type of memorial issue, which not only explains, but demonstrates through reprinting some old material, what the magazine actually represented. This memorial issue is available for \$4.95 including postage, and can be ordered by calling 1-816-969-2069, M-F, 7:30 a.m. to 4:30 p.m. central time.
